

THE 100TH ANNIVERSARY OF ICTAM
ICTAM 2024
THE 26TH INTERNATIONAL CONGRESS OF THEORETICAL AND APPLIED MECHANICS
25^{SUN} – 30^{FRI} AUGUST 2024

Special issues celebrating the centennial ICTAM

Pending official publication agreements. Additional journals are under consideration.

* International Journal of Multiphase Flow will publish articles in regular issues with a heading that it is selected for publication from the presentation at the ICTAM 2024 after the same rigorous review process of the journal.

** Physical Review Fluids — the official journal of the American Physical Society devoted to the discovery of new physical phenomena in fluid dynamics — will collaborate with ICTAM 2024 and publish a collection of papers by some of the invited speakers, spread over several regular issues.
